Training aspect:

Key Figures on Participants

The **Total Number** of regular participants, including plenary speakers but excluding accompanying guests and local organizers of the Course/Workshop/Special Meeting was: **Total Number**

Regular Participants Included:

- graduate students
- postdoctoral students
- principal investigators from academia & industry

Number **Invited Plenary Speakers:**

- paid by (institution) Support
- paid by other sponsorship support

Number **Members of Scientific Advisory/Committee Board** *(if applicable)*

Registration fees were paid directly to the host institute bank account. Registration fee includes hotel costs, meals, course printed materials. For local participants, no hotel costs were needed. For these participants a reduced fee was used to cover the course printed materials and coffee breaks. Travel expenses (flight/train tickets) were covered for the lecturers, the tutors and the organisers. Some of the lecturers needed additional transport assistance to the hotel. This assistance was also covered by the course budget.

Geographic distribution of participants

- participants from Europe & Turkey
- participants from USA & Canada & South America
- participants from Australia
- participants from Asia
- participants from Africa

The Scientific Presentations Comprised

- invited plenary lectures
- selected talks or student presentations of 20 minutes
- poster presentations
- no presentation (visitors & company representative)

For additional statistics, please use the Statistics Form.

Feedback & Comments by Participants *(no more than 2 pages)*

The questionnaires should be submitted to students and lecturers, if possible, and where appropriate to the particular School.

Full summary of comments:

The text below is a copy of the comments as written in the questionnaires.

Organization of the program:

—

Quality of training and interaction with speakers:

Quality of lectures and talks:

Good lectures:

Balance between training and scientific lectures:
